

LABOR/HHS/EDUCATION APPROPRIATIONS SUBCOMMITTEE

- Project Name:** The Competency Based Education Training Initiative for an Early Child Care Workforce at San Francisco State University
- Project Address:** Administration Building, 1600 Holloway Avenue, San Francisco, CA 94132
- Amount Requested:** \$750,000.00
- Purpose of this Request:** Many studies point to the knowledge and skills of early childhood program staff as the cornerstone of high quality early childhood education programs. By having the capacity to have all early care and education students receive their internships at SFSU, in a high quality environment, with expert mentor teachers, we can assure that the workforce for both San Francisco and San Mateo will meet the highest standards for families and children.
-
- Project Name:** University Center Consortium at San Mateo County Community College District
- Project Address:** 3401 CSM Drive, San Mateo, CA 94402
- Amount Requested:** \$2,000,000.00
- Purpose of the Request:** The University Center model efficiently allocates state resources by assigning the first two years to community colleges and the last two a state university. The center provides opportunities for retraining laid-off workers in new, high demand careers, career advancement opportunities for technical workers, improving transfer rates by providing well-articulated programs, reducing commute time and cost for students and traffic in impacted areas.
