The Honorable Kay Granger
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, D.C. 20515

Dear Chair DeLauro and Ranking Member Granger,

I am requesting funding for the installation of mini-high accessible ramps at three Caltrain stations in fiscal year 2022.

The entity to receive funding for this project is the Peninsula Corridor Joint Powers Board located at 1250 San Carlos Ave., San Carlos, CA 94070.

The funding would be used to support the installation of mini-high accessible ramps at the Caltrain stations located in Belmont, Hayward Park, and Burlingame, California, which will increase reliable and meaningful access to train service for passengers needing assistance to board trains. The installation of these station improvements will also provide benefits to all Caltrain riders as it will reduce the dwell time as passengers needing assistance board the train.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Jackie Speier
Member of Congress
