Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Maple Street Navigation Center project in fiscal year 2022.

The entity to receive funding for this project is San Mateo County located at 400 County Center, Redwood City, CA 94063.

The funding would be used for the Furniture, Fixtures, and Equipment (FF&E) to be installed in the Navigation Center. This project is a 200-250 bed permanent Navigation Center with approximately 100 units devoted to Transitional Housing including a combination of 25 units intended for couples and 75 units for single occupancy. In addition to housing units, there will also be substantial space for service provision, dining, and wellness on site.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Member of Congress
